Oh a  
bird

A group of approximately 15 people, mostly young adults, are posing for a group photo on the wide stone steps leading up to the entrance of a large, historic brick cathedral. The building features a prominent circular window above the main entrance. The scene is set outdoors on a cobblestone-paved area.

Picture  
moment

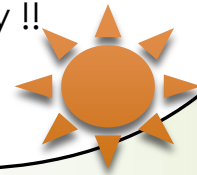

The interior of a grand cathedral, showcasing its architectural details. The space is filled with tall, fluted columns supporting a series of high, vaulted arches. Light streams in from windows high up in the walls, creating a bright and airy atmosphere. The floor is covered with rows of dark wooden pews, and a large organ is visible in the distance.

It's a  
beautiful  
cathedral
